Facilities Management Team Award

Most facilities management teams work in a range of areas, combining resources and activities to deliver a safe, healthy and efficient work environment. This award recognises and celebrates the achievements of the facilities management (FM) team, whether in-house or outsourced, who delivers outstanding operational performance from an individual building, a site with several buildings, business premises including supporting facilities or a portfolio of assets. This includes delivering the comfort levels and working conditions required by the users while demonstrating substantially reduced carbon emissions, energy, water consumption and effective waste management.

Entries may be submitted by any or all members of the FM team, for a building, buildings, business premises including supporting facilities or a portfolio of assets in Hong Kong and should cover a **full year of facilities management activity**, supported by operational performance data, during the period **1 January 2015 - 31 December 2019**.

Please complete the entry form below. The headings reflect the judging criteria and the judges will be looking for you to provide the relevant information under each heading.
